**In 2022 Division 1 bulls will be sold first followed by Division 2. The bulls will be sold Oldest to Youngest in Both Divisions 1 & 2.**

The Agents position or order will be determined by a coin toss after the closing date of entries. To determine the catalogue position within each group the following points apply.

- The vendor's oldest bull will determine the position.
- Where a vendor has up to 4 bulls, they will be catalogued together (in the order the vendor chooses).
- If a vendor has 5 bulls, the oldest would determine the position, but the vendor would nominate which bulls to catalogue with him, up to a maximum of 4 in a row. The oldest of the remaining bulls would determine the position for them in that catalogue section.
- Where there is more than one bull with the same DOB then alphabetical order of vendor will separate them.
- Any vendor who has a run of bulls drawn in Lot 1 to Lot 10 in the catalogue has the right to elect to sell one bull (the oldest) only. That vendor's next position will be determined by their next oldest bull. Note: this only applies to the first catalogue group.
- The exhibitors/vendors of the Grand Champion Bull has the right to sell him at the front of their respective catalogue sections and bring his team with him.
